New release ‘Life In Lyrics’ invites readers to a new system of doing and creating for personal expansion

Katie Lindler shares her journey of awakening as a channeler, disclosing that help is available to all anytime from our spiritual team

BREVARD, N.C. — Katie Lindler takes readers on a lyrical journey of awakening in “Life In Lyrics: Channeling A Musician By Writing With Spirit Guides” ([published by Balboa Press](#))

This book tells the true story of the author’s experience learning about her abilities as a channeler who is able to communicate with the spiritual realm through channeled writing and working with spirit guides. Through automatic writing from archangels and a deceased musician, Musique, who has come back as a spirit guide to share rhyming lyrical stories and songs, the reader discovers the musician is here to reach a loved one, and to teach how to be in the flow with spirit guides.

“There are very few authors and books that present writing through rhyming lyrical stories and songs where the entire book has been channeled with Spirit Guides, Lindler states. “In addition to that, very few author’s and books teach the process through an entire book of rhyming lyrics and channeled writing to trust being in the flow with Spirit Guides. It’s a whole new system of writing and creating that’s being presented in the book, ‘Life in Lyrics.’”

“Life In Lyrics: Channeling A Musician By Writing With Spirit Guides” connects with musicians and music lovers, writers and book lovers, and readers interested in expanding knowledge of spiritual growth. It will appeal to those who are experiencing an awakening of their senses and abilities to sense the energies of the spiritual realm and quantum field around them.
